### **DETAILED ACTION**

This is a **Supplemental** notice of allowance for application no. 09/712,500 in response to the amendment after notice of allowance filed on February 24, 2005 in which claims 1-42 are presented for examination.

#### ***Allowable Subject Matter***

Claims 1-42 allowed.

The following is a statement of reasons for the indication of allowable subject matter:

As noted in the previous notice of allowance, claims 1-33 pertain to a novel method and system for converting a sequence of electronically captured images into a sequence of modified images providing the appearance of images captured by a film reproduction system that the examiner was unable to find in several prior art searches. The additional claims 34-42 depend upon previously allowed claims (19, 20, 21 and 2) and therefore are also allowed.

#### ***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Erick Rekstad whose telephone number is 571-272-7338. The examiner can normally be reached on 8-5.
